Summer PEP- Input Preferences

Dear Student,

Summer PEP is planned for students of 2024 graduating batch **starting from 5th June, 2023 onwards**.

It is very important to be on a right path to grow in career. University is always preferring to help the students to decide about the right track and achieve a bright future ahead.

As part of Summer PEP 2023, eligible students are required to find their interest areas in which student is looking for training inputs and required to submit their preference(s) accordingly in the below mentioned form link.

LINK (MANDATORY to fill): https://bit.ly/2024SummerPepPreference
One Time Password (MANDATORY to fill): Check UMS My Message.

Deadline: May 25, 2023 (Thursday) 03:00 PM

While selecting your preference, make sure that you are not opting a preference which you had opted during the WINTER PEP

IMPORTANT: Competitive Programming test would also be conducted separately in which Interested students can participate for further training process.

NOTE:

- 1. It is mandatory to fill the training input preference(s) in the mentioned form.
- 2. Random allocation shall be done in case of non-filling of preferred inputs in the mentioned form.
- 3. Input preferences must be filled carefully.
- 4. No preference input should be left blank by student.
- 5. No duplicate entries of same training input will be considered. In such cases, random allocation of training input(s) can be done. University reserves the right to make random allocation under such mentioned circumstances.
- 6. While filling this form, ensure to fill the correct OTP shared with you through UMS myMSG.
